Registration for ice skating instruction this week at rink

Instructional ice skating classes for children starting at age four are designed to meet the skating interests and abilities of local ice skaters. The Ice Skating Institute of America's concept of recreational skating is closely followed here to insure that ice skating is relaxing and enjoyable, while at the same time providing a different approach to exercising and physical fitness.

Classes will be offered in the Granite City Park District in Pre-Alpha through Freestyle,

during a seven-week program. Three sessions will be held, the first starting, Saturday, Oct. 15, and ending Nov. 26. The cost of the program is \$3.90 for residents with park identification cards and \$7.50 for non-residents.

Lessons will be for one hour and will be held on Saturdays from 10:30 a.m. until 11:30 a.m., and from 11:30 a.m. until 12:30. Registration for the first session will be from tomorrow through Saturday at the Wilson Park ice rink.

Later sessions will be Dec. 3, Jan. 21 and Jan. 28-March 11.

Multipliers will be town officials' topic

The next meeting of the Madison County Township Officials Association will be held Thursday, Oct. 26, in the County Board Room of the Madison County Courthouse, Edwardsville. The association will discuss the township officials' convention to be held Oct. 26-29.

The speaker will be Fred Van Horn, assessor of Danville Township and a county board member of Vermillion County. He will discuss the duties of the township assessor in relation to the county supervisor of assessments and in relation to the county board of review—and the imposition of multipliers on townships by either the county supervisor or board of review.

Van Horn has been a township assessor since 1967 and a member of the Vermillion County Board for six years, presently serving as chairman of the finance committee and officeholders' committee.

He is a director of the Township Officials of Illinois, serving on the legislative committee, and is also a

director of the assessors division of the TOI and serves on its legislative committee.

He has had a real estate license for 13 years. Prior to being elected assessor, he was a building contractor for 20 years.

Township employees, especially deputy assessors, are being invited to attend the meeting along with others interested in hearing Van Horn. Highlight of his address will be the imposition of multipliers in Madison County.

Elmer Heimkamp is president and Mrs. Patricia Polley is secretary of the Madison County Township Officials Association.

Tomato plant is 15 feet wide

John Howland, Rural Route One, Box 1624, Granite City, believes he has the largest tomato plant and the largest castor bean plants in the area, and possibly in the entire state. A single tomato plant that he planted last spring has grown to a width of 15 feet, Howland said. So far he has had 45 tomatoes off the one plant, which still is loaded with green tomatoes. One of the tomatoes weighed one and one-quarter pounds, he said.

Castor bean plants along a patio at the Howland home have grown to a height of about 12

Library history chapter topic

Preceptor Beta Gamma Chapter of Beta Sigma Phi met at No. 3 Patricia Lane, with hostess, Mrs. Jane Laule.

The opening ritual and business meeting was conducted by President, Mrs. Tsigiaroff. Minutes of last meeting were read by Secretary, Mrs. Stoyanoff. Mrs. May Ebling, submitted the treasurers' report.

Dolores Dorth reported from the Sorority City Chapter on possible revision of by laws, this was held over for Chapter discussion. This was followed by a round table discussion and both material and manner of presentation in both year books and scrapbook.

It was announced the Sweetheart Dance will be held Feb. 18, this year. The cultural program — "What's in a Library" was presented by Betty Ebling and Pat Tsigiaroff. The first library on clay tablets using uniform characters was established by the Babylonians in 4000 B.C. The greatest contribution to libraries occurred in 105 A.D. when the Chinese invented paper. The Granite City Library was started in March of 1912 with 50 volumes, at last count it consisted of over 120,000 volumes, they reported.

Mrs. Ebling was the evening prize winner.

Democratic Club meeting Wednesday

The monthly meeting of the Granite City Democratic Club will be held on Wednesday, Oct. 12, at 7:30 p.m. in the Knights of Columbus Hall.

The meeting this month will feature an open forum allowing members to express their ideas on future programs that would be in the interest of the community.

It is stressed that any member who has not paid their dues for this year by the October meeting will be ineligible to vote for officers at the November meeting. The nominating committee will present its slate of candidates at the October meeting.

All members and guests are invited. Refreshments will be served following the meeting, according to Carole Kopis, president.

Recognition dinner reservations due

Plans have been completed for the forthcoming Recognition Dinner sponsored by District Four of the River Bluffs Girl Scout Council. All adult and associate members along with husbands and escorts are invited.

A smorgasbord dinner will be served and entertainment will be furnished by the Madison Senior Citizens Kitchen Band.

The dinner will be held at the Madison Recreation Center, Sixth and Lee avenues, Madison on Oct. 20, 6:30 p.m. Ticket deadline is Oct. 15, at \$3.25 per person. They may be purchased from a neighborhood chairman or from Vivian Byer, 2453 Pontoon Road.

Washington PTA opens season

The first PTA meeting of the 1977-78 school year was held last week at Washington School.

About eighty persons were in attendance and heard Steve Wisley, emergency medical service co-ordinator (Illinois Department of Health), speak on the Heimlich maneuver, an emergency technique used to aid victims of choking.

Cub Pack 19, sponsored by Washington PTA, presented the colors. An evening prize was won by Floyd Baxter and the team attendance prize was awarded to Mrs. Anita Speer's morning kindergarten class.

Refreshments were served in the school cafeteria following the meeting and new members were enrolled by the membership committee.

Officers for this year are: John Hutchings, president; Mrs. Donna Teacher, first vice-president; Mrs. Judy Diak, second vice-president; Mrs. Norine Noel, secretary; Mrs. Barbara Elmore, treasurer; Mrs. Aileen Milton and Mrs. Sue Wroley, hospitality committee; and Fred Neff, principal.

More the Merrier marks 4th year

The More the Merrier Senior Citizen Club celebrated its fourth anniversary at an afternoon social event held at the Senior Citizen Center.

Opening prayer was given by Mrs. Ruby Corbitt, chaplain and the pledge to the flag was led by John Winkelmeyer, who has served as president since the club was organized.

Guest speakers included Mrs. George Walter, Mrs. Norma Mendoza and Edgar Paddock. A plaque of appreciation was presented to Mrs. Walter by the president.

The tables were gayly decorated for the occasion and after dinner games were played.

Prizes were won by Nan Shone, Maude Tatum, Helen Newland, Alberta Ethington, Della Hagen, W. F. Fritzel, Lester Thiele, Elva Lalleme, John Polson, Mildred Johnson, Edgar Paddock, Cecile Chase, Mrs. Misselbush and Lorraine Cathy.

Special music for the day was provided by Raymond and Vera Scott. The prizes were donated by local merchants.

New members welcomed were Mr. and Mrs. Misselbush, Geri Shone, Mrs. Tatum, Sophia Young and Isabel Fairchild.

A business meeting will be held at 5 p.m. Thursday and those observing birthdays are to bring a cake. There were 55 members present for the affair.

Open house at fire stations

Granite City residents are being invited to tour the three city fire stations any night this week between 6 and 8 as the city observes National Fire Prevention Week.

The stations will be open from this evening through Friday evening so residents can see the fire equipment and the new city ambulances and discuss operations of the fire department with firemen and city officials.

Stations open will be the main station at 23rd Street and Madison Avenue, the number two station at Richmond Avenue and Johnson Road, and the West Granite station on Rock Road at Roosevelt Avenue.

Driver injured, faces charge

A Madison youth was named on four charges and a Madison woman was charged with illegal possession of liquor at 2 a.m. Sunday after the youth allegedly fought with police, threatened them and attempted to kick the windows out of a squad car.

A 16-year-old juvenile also was charged with illegal possession of liquor and police said charges were to be filed against two others.

William R. Farneshee, 20, of 424 Alton Ave., was charged with Careless driving, illegal transportation of liquor, disorderly conduct and resisting arrest.

Deborah Farneshee, 22, of 424 Alton Ave., was charged with illegal possession of liquor.

Police said they saw a car leave a parking lot on State Street at a high rate of speed and followed it. The car pulled up close behind another car and gunned the motor and sounded the horn.

Officers reported they sounded their horn at the driver and after the offense continued they turned on the siren and red light. The car turned on 12th Street and then turned right and then left at almost every block, police said.

The car stopped at Seventh Street and Alton Ave. Police said the driver began to curse and yell obscenities. Madison officers arrived to aid in putting the driver in the squad car, where he attempted to kick out the windows.

At police headquarters the man refused to get out of the car and force had to be used to get him into the police station, where officers said he threatened them.

Contractors, officials to confer on beginning new Madison school job

A pre-construction meeting for the new Madison middle school (junior high) will be held at the Madison School Board office at 10 a.m. Friday, Oct. 14.

The meeting will be attended by contractors who have been awarded construction phases of the project: Richard Jones of the Capital Development Board (CDB), Springfield; Henry Gabriel, architect for the Madison board; school officials and board members.

Representatives of the L. Wolf Co., general contractor for the \$3 million project, informed the board that when CDB gives the "go ahead," construction can begin within three days.

Weather permitting, the contractor hopes to get the walls up and the roof on before cold weather, so that work may be done on the inside during the winter months.

A discussion was held on enlarging the Madison High School cafeteria.

Board Member Sam Dymas said, "We have been talking about this for some time, since mid-summer. I can't understand what the delay is."

Superintendent of Schools John Palfieff said that he will contact Gabriel about the plans and try and have them by the next board meeting.

Dymas also questioned the need for keeping milk out for three luncheon periods noting that by the time the students in the third period go to eat, the milk would be warm.

Mrs. Evelyn Holt, cafeteria supervisor, said that they have a storage problem with no room for a cooler.

Mrs. Sharon Rojas, 37, dies

Mrs. Sharon Rojas, 37, of 26 Ann Drive, St. Peter's, Mo., formerly of Granite City, was found unconscious in a car in Madison at her home Friday evening.

The body was found by her husband, Richard, after he returned home from work. He said the garage doors were closed. She was pronounced dead at St. Joseph Hospital, St. Charles, Mo. at 7:45 p.m.

Mrs. Rojas was born in Granite City and lived here until four years ago when she moved to St. Louis. She was employed at the Army Record Center, St. Louis.

She was a member of Sacred Heart Church in Granite City and was a former member of the Altar Society at the church, and of Job's Daughters.

Survivors include her husband, Richard; two children, Richard II and Georgina, both at home; one sister, Mrs. William (Shirley) Scaturro of Granite City, and her parents, Mr. and Mrs. Felix (Vella Mae) Tucker of Granite City.

Funeral arrangements are given in today's obituary column.

Mrs. Willie Greer dies

Mrs. Willie M. Greer, 66, of 839 Ninth St., Huntington, Va., formerly of Granite City, died at 3:30 p.m. Thursday, at a Huntington Hospital where she was a patient three weeks.

She had been ill two years and had moved to Huntington to reside with her daughter, Mrs. Cecil (Margaret) Bennett.

Mrs. Greer was born in Charleston, Miss., and lived in this area 30 years prior to moving to West Virginia.

She was a member of the Word of Life Tabernacle.

Other survivors include her husband, Lanzo Greer; two other daughters, Mrs. Hugh (Frieda) White of Detroit, Mich., and Mrs. Donald (Sandra) Abernathy of Granite City; two brothers, Fred and Ellis Ray, both of Granite City; six grandchildren and two great-grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

Nunes trial to open Tuesday

Jury selection is scheduled to begin Tuesday for the trial of John F. Nunes, 48, of 2134 Delmar Avenue, who is charged with involuntary manslaughter in connection with the fatal shooting of a 19-year-old behind his home May 1.

Police say indications are that Edward Robertson, 19, of Granite City, had been attempting to steal gasoline from Nunes' parked pickup truck when he was shot and killed. A youth who was with Mr. Robertson at the time is expected to testify.

The trial was to have started Sept. 19, but was postponed by defense motions and by the planned vacations of some officers who may be called to testify.

Barbershop Quartet in district competition

The Male Delivery Quartet, one of the Illinois District's newest foursomes, has established itself as "a quartet to watch for." Although they registered with International Headquarters last April, the Male Delivery sang its way into third place medalist honors in a field of 31 quartets at the district convention held in Belleville.

Singing tenor with the group is Al Mueller, a member of the Collinsville Chapter and a Barbershopper for 12 years. He sang with the Federal Reserve Notes Quartet, St. Louis area champions in 1974 and district champions in 1976, before joining the Male Delivery. A botany teacher at Belleville Area College, he lives in Okawville with his wife and two sons.

The lead of the quartet is Lyle Wilson, who has been a member of the Waterloo Chapter for

almost two years and is presently serving as quartet activities chairman. He teaches science at Waterloo High School and makes his home in Waterloo with his wife and three sons.

Rich Pilch is the baritone of the quartet. He has belonged to the Collinsville Chapter for eight years and is the administrative vice-president for his chapter. He also sang with the Federal Reserve Notes and is employed at Hudson Jewelers in Granite City, where he lives with his wife and two daughters. The quartet's bass is Bob Cernal, a Barbershopper for ten years and the president and director of the Belleville Chapter. He was a member of the Accotones Quartet, winners of the St. Louis area contest and second-place district medalists in 1975. He teaches English at Mascoutah High School and resides in Mascoutah with his wife, son and daughter.

MALE DELIVERY BARBERSHOP QUARTET, a new foursome in the Illinois District which earned a third-place medal at the district convention held in Belleville. From left Rich Pilch, Granite City; Bob Cernal, Mascoutah; Eldred Mueller, Okawville, and Lyle Wilson of Waterloo.

Field trips, staff, newspaper, equipment aid Venice students

Title VII Basic and Pilot Programs for 1977-78 at Venice Community Unit School District Three are being implemented. Special meetings were held among the members of the Title I and Title II staff, the principal, and primary, intermediate and junior high teachers to effect a mutual network of understanding and cooperation in setting up the reading, mathematics and work study skills programs in science and social studies.

A special meeting also was held with the principal and teachers at St. Mark's School, Venice, to determine to what extent the program could be beneficial to those students.

Many of the supplies and some of the equipment ordered by the staff and approved by the

Venice Board of Education will be arriving on schedule, a spokesman said. Much more is due to arrive and is expected to be useful for conducting the varied programs.

Of interest is an emphasis on "newspaper in the classroom" projects.

Current use is being made of the Granite City Press-Record and four other newspapers.

The teachers are utilizing these papers in the areas of science, English and social studies. "They are able to help the students correlate these aids with their regular classroom activities. Other educational periodicals have been ordered to assist the students also," the spokesman related.

Field trips have been coordinated by Mrs. Georgia

Falwell, counselor of the supportive service staff, for students in various grades and subjects to expand their knowledge of career education.

So far, the trips have included the St. Louis Convention Center, National Weather Service at Lambert Field, and area and Illinois state police (two trips).

Areas to be visited during October include the Susan Farms in South St. Louis County, the Federal Reserve Bank in St. Louis, the Missouri Botanical Gardens and Cahokia Mounds near here.

"The staff will continue to be instrumental in conducting more activities to aid in carrying out the objectives," Althea A. Cross, director, U.S. Title VII Project MICRO, told the Press-Record.

Masons elect E. Gene Ross to state office

E. GENE ROSS

E. Gene Ross, a past master of Triple Lodge 35, Ancient Free and Accepted Masons of Granite City, was elected and installed as the Junior Grand Warden of the Grand Lodge of Illinois at the 138th annual meeting of the Grand Lodge, Friday Night in Chicago.

He will assume the junior warden position of the governing body of the Grand Lodge which is composed of 185,000 Master Masons located throughout the state.

Ross is a native of the Quad-City area and the first Mason of Granite City to attain an elected office in the Grand Lodge. Triple Lodge 35 will host a reception in honor of Ross at 7 p.m. on Saturday, Oct. 15, at the Scottish Rite Cathedral. All Master Masons, families and friends are invited to attend, it was announced.

Talented scholars sought by university

Plans for a drive to establish the Presidential Scholar Program at Southern Illinois University at Edwardsville — announced in Thursday's issue have been unveiled to the SIUE Foundation board of directors.

University President Kenneth A. Shaw said more than 30,000 persons in the area will be reached through the Foundation with the message that "the margin of excellence is dependent on private support."

Dr. Shaw said SIUE needs talent grants to attract and retain outstanding students. His Presidential Scholar Program proposes to award talent grants to students or prospective students who have demonstrated "that extra intellectual spark and drive that mark them as outstanding now, with potential for greatness in the future."

Citing the severe limitations of a "bare-bones budget" imposed by cutbacks in public support and the fact that some public funds, especially through state scholarships, are being diverted to private institutions — President Shaw said educational opportunities are being denied many bright or talented students.

"From the standpoint of the growth of the university, the presence of this bright, talented student on our campus is crucial in our drive for authentic excellence," Dr. Shaw said.

"If the university is to achieve its aspirations for excellence, we will have to be constantly striving to upgrade the quality of our student body."

The president predicted the region, as well as the university, will benefit by the program to attract scholars. "As the university grows better, the caliber of service we can give to the region will produce commensurate benefits. We must all prosper together."

Dr. Shaw emphasized that the majority of SIUE graduates are remaining in this region to become leaders in business, industry, the professions and public affairs.

"If so many have stayed to build a better life for themselves and their fellow citizens in this region, I think we can reasonably assume that the bright scholars we will attract by this annual fund drive will stay, too," the president said.

Recommend appointment for nursing home post

The Madison County Board in its regular meeting this month will be asked to appoint Billy Rainwater of Granite City as administrator of the Madison County Nursing Home.

Rainwater, 49, a lifelong resident of Granite City, was selected for the appointment last week by the Health Institutions Committee of the County Board, headed by William Webb, Granite City Board Member.

If the County Board confirms the committee's recommendation, Rainwater would succeed Floyd Fischer, who resigned several months ago after seven years as the only administrator at the nursing home since its establishment.

Fischer plans to enter the trucking business. At the time of his resignation, he agreed to remain in the post until a successor could be named.

Rainwater now is administrator of the Dorian Convalescent Center at Godfrey. He graduated at Granite City High School and attended Southern Illinois University at Carbondale. He also attended

"So the region has a real stake in giving to the fullest."

Dr. Shaw pointed to more than \$400,000 voluntarily contributed by area residents (many from the Quad-Cities) about 15 years ago to purchase the land for the SIUE campus.

"The university owes its existence to private gifts from citizens who saw the value of a major resource of higher learning to this region. Now, we are going to the well of private giving again to ask the people of this region to make an investment in quality," the president said.

Foundation directors were given a preview of an informational brochure that has been designed to carry the message of the fund drive to area residents.

Dr. Shaw said it emphasizes that "SIUE is the kind of university an outstanding student ought to want to attend."

He commented, "The university has a beautiful campus, with buildings of prize-winning architectural distinction. We have a fine faculty, doing an outstanding job with the many fine students who are already with us."

"In short, we have much to be proud of," Dr. Shaw declared. "As we make this appeal to a broad public, we can tell a story of outstanding achievement."

The informational brochure, which is being mailed to friends of the university this week, lists examples of award-winning programs and students, faculty research and achievements, and services to the community. "SIUE at Edwardsville stands for quality while serving large numbers of students of all ages and backgrounds. It dares to be on the leading edge of higher education, with new programs, new approaches, new ideas, all aimed at a single goal — to become the best university of its kind," the brochure states.

Suggesting that the scholar program can have earth-shaking implications for the university and the region, Pres. Shaw said, "The region will benefit by taking pride in the university, and I think we will all agree that the region we serve should have a stronger sense of self-confidence."

"If we can count on a generous margin of excellence from the region's support, we can fulfill the great hopes which the region we serve has vested in us."

George Washington University at Washington, D. C., taking courses on nursing home administration.

Webb said Rainwater is a licensed administrator, and formerly served as administrator of a 156-bed nursing home in Mississippi. His committee interviewed 22 persons before making a selection. Webb said, adding that the committee also received many more applications by mail.

Rainwater lives at 4000 Sara St., Apt. 151.

Education School in its new facilities

Dr. Joseph Cronin, Illinois state superintendent of education, will be the key speaker during a two-day open house in the new facilities of the Southern Illinois University at Edwardsville School of Education Wednesday and Thursday, Oct. 19 and 20.

Dr. Cronin will speak at 8 p.m. Oct. 19, following a reception from 6:30 to 7:45 p.m. in Classroom Building II, Room 1407. The subject of his address is "Perspectives on Education in Illinois."

The new facilities of the School of Education in both Buildings II and III will be highlighted during the open house. Included will be the Instruction Materials Center in the department of special education; the Reading Center, Early Childhood Center and a science education classroom in the department of elementary education; and the Practicum Center, a featured facility of the department of counselor education.

Other new facilities to be highlighted include the department of instructional technology, with its photography equipment and displays, activities and a reception from 1 to 6 p.m. Don Carver, dean of the school, said all alumni, teachers, community members, students and friends are invited to attend the events both days.

Explorers prepare for Halloween 'haunting'

A haunted castle, haunted house and a haunted casket will be operated in the Quad-Cities area Wednesday, Oct. 26 through Halloween night, Monday, Oct. 31.

Explorer Scouts are making their costumes, designing their "creature features" and preparing to offer Halloween thrills to the young and "young at heart," according to post leaders.

The Explorer Scouts were the original Quad-Cities area "Spooksters" and are in their fifth Halloween season.

The Explorer Scouts are young men between the ages of 14 and 18 interested in law enforcement and use the Halloween attractions as their major fund-raising event to sponsor their activities.

Explorer Scouts of Post 10-33, sponsored by the Granite City Police Department, will have a giant "casket" set up in the Cross Roads Plaza Shopping Center.

A "haunted house" will be at 4101 Kaseberg Lane, behind the Long Lake fire station in Pontoon Beach where members of Explorer Scout Post 255, sponsored by the Pontoon Beach Police, will greet their friends.

For the third straight year, Scout Dracula Jr. will have his "Haunted Castle," at 1316 Madison Ave. Explorer Scouts from Post 10-4, sponsored by Madison Police Unit 110, are making things ready for the "Count's" annual visit with some new "Friends."

The young men from Post 10-4 were the first in the Quad-Cities to have a Halloween "haunted house" and assisted the other two Explorer Scout Posts in getting their projects started.

Attends Probation Officer Training

Charles Bowen, a probation officer from Madison County, has just attended a basic probation officer training program conducted by the Center for Legal Studies at Sangamon State University, Springfield.

Fifty-three new probation officers from 27 counties participated.

Newly authorized by the Illinois Board of Higher Education, the Center for Legal Studies has the primary function of providing in-service training for persons employed in the legal system and state government.

Conference topics included client-centered probation, the role of communication, effective interviewing and counseling, juvenile social history report, adult pre-sentence investigation, time management, case management, community resources, volunteers, and Illinois juvenile and criminal justice law.

Tigers slosh to 7-0 victory over South

By ELDON WARFIELD

Hampered by mud and rain throughout the entire game, the Edwardsville Tigers squeaked by the Granite City South Warriors 7-0 in this year's homecoming game Friday night in Granite City Stadium before a sparse crowd, which was held down because of the torrential downpour that went on all night.

THE TIGERS found it quite easy to run in the mud as they scattered out 246 yards on the ground.

Mark Buchheim was the big gun for Edwardsville as he rambled for 100 yards on 20 carries, including the game's only touchdown.

Junior halfback Tom Guffey gained 53 yards on eight carries and set up Edwardsville's score with a 21-yard gallop down to the six-yard line, for the longest gain of the night late in the fourth quarter.

Greg Klar also racked up 40 yards on eight carries to add to the Tiger attack.

Defense again was the story for Edwardsville as the Rams had the choice as to defend or not at the beginning of the second overtime.

That settled, the Steelers proceeded to score the game-winning touchdown.

A 13-yard run by Sherman on fourth down and the Bowman PAT made the score 21-14.

North held the Rams on their final series to end the game.

About that overtime controversy, Wyrostek said, "it was just a mixup in communication. Everything worked out."

"We do have to get together and go 100 per cent on every play," the North mentor added.

"Sometimes tonight we ran over them and other times they stopped us cold."

"But definitely, the turning point was when we stopped them on our own one-yard line there."

With a little bit of luck, coach.

for Granite City South in its homecoming defeat. Edwardsville was unable to get to the outside because of the outstanding job of the defensive ends . . . and the wet field.

Ball control by Edwardsville was the story throughout the first quarter. The Tigers snapped the ball 19 times compared to the four plays run by South's Warriors.

Although the Tigers looked strong, they were unable to capitalize because of penalties against them.

In the first quarter, the Tigers were penalized for 40 yards, stifling two Edwardsville attempts to break the scoring ice.

Early in the second quarter, the Tigers continued to pain yardage with plays breaking for six and seven yards.

Then South's defense came to life when Keith Green sacked Edwardsville's quarterback, Jeff Green, for a five-yard loss.

Tom Antoff teamed up with

Keith Green on the next play for the second straight five-yard sack of the Tiger quarterback.

The first half concluded with the teams exchanging punts several times.

South's halftime show was canceled because of the weather conditions, so the fans fought the cold rain while they waited for the second half.

South received the second half kickoff and in three plays was forced to punt. On the punt, Tiger receivers were unable to find the handle on the pigskin and Warrior center Tom Speck gobbled up the loose ball.

Again the Warriors were stopped and Tom Kirksey was called upon — not to punt, but to try a 35-yard field goal. The attempt failed as a strong Tiger rush blocked it.

Late in the third quarter, the Tigers began to march downfield. But they were unable to put any points on the board.

The fourth quarter was dominated by the Tigers. A 65-yard drive that ate up just over six minutes on the clock was capped by a Phil Conneau extra-point kick to make the score Edwardsville 7, South 0.

South then obtained possession, but failed to move the ball. Edwardsville sat on the ball to assure its slippery win.

Unofficial statistics show that the rain and mud did hamper the Warriors in THEIR at-

tempts to move the ball. They gained a TOTAL of five yards in the game, all on the ground. They were not able to job. They punted six times for the contest, and possible were helped by the rain in that it added the defense in containing the Edwardsville running attack because of the slippery footing.

There was only one pass completion in the game, that being by Edwardsville for 17 yards.

Only eight passes were attempted between the two teams . . . the rain and mud made it virtually impossible to establish any semblance of a passing attack.

The Warriors' defenders did perform admirably, however. Being on the field almost three-fourths of the game, they, along with the weather, kept the Tigers from scoring into the fourth quarter.

Warrior punter Tim Kirksey turned in another spectacular job. He punted six times for a 31-yard average.

South, now saddled with a 2-3 record, will journey to Collinsville this Friday to meet the Kahoks in a game set to start at 7:30 p.m.

Capture thriller from Mt. Vernon . . .

Steelers come back for double overtime win, 21-14

By PETE HAYES

Press-Record Sports Editor

If your team wins 21-14 in two overtimes, holds the opposition on fourth-down-and-goal from your own one-foot line, and gets the call on a controversial catch on the way to the game-winning touchdown . . . do you feel lucky?

"Oh, every time you win a game in double overtime, it's lucky," said North head coach Tom Wyrostek, whose team had just done all of the above things . . . and more — enroute to a hard-fought win over Mt. Vernon in the Granite City Stadium Saturday night.

The Steelers opened the game on a sour note — if you're a North fan.

After taking the kickoff to open the game, Mt. Vernon was forced to punt on four straight downs. But North's Tom Greco fumbled on the return and this gave the visitors a chance from the Steelers' 35-yard line.

It only took Mt. Vernon four plays.

On a fourth-and-six from the North 30-yard line, Ram quarterback Tim Raney threaded-the-needle with a beautiful pass over the middle to wide receiver Dwight Williams, who took the ball away from two Steeler defenders and raced into the end zone for a quick Mt. Vernon touchdown.

The point-after-kick by Raney made it 7-0 at the 9:02 mark of the first quarter. Lightning had just struck.

Then it was North's turn. Taking the kickoff at their own 35-yard line, the Steelers ran it up against the Mt. Vernon defense. Alternating between running backs Greco and Bruce Wright, North had gain after gain of five to eight yards.

After chewing up almost six minutes of the clock, Wright put the Steelers within one point of a tie on a nine-yard run. The PAT by Tim Bowman had tied it.

North forced the Rams to punt on their next possession and it looked as if momentum had put on a Steeler jersey. Not quite.

Yardstick

	North	Mt. Ver.
Yards passing	14	63
Yards rushing	194	52
Total yards	208	115
First downs	12	5
Fumbles lost	1	2
Yards penalized	36	35
Punts (avg.)	4/34.25	3/35.33
Interceptions	0	0

North fumbled on a third-and-13 play on its 40-yard line. It was recovered by Mt. Vernon's Terry Swinnen.

Lightning had struck again. This time, it only took the Rams seven plays to reach pay dirt.

A TD run by Mt. Vernon running back Scott Wagner after an offside call on the Steelers on the previous play gave the Rams third-and-twelve from the 17. Result: A 12-yard TD.

The point-after-touchdown made it 14-7 at the 8:41 mark of the second quarter. It stayed that way until halftime, and through the third period.

As the fourth quarter began, it looked as if things might just end up the same way.

Both teams exchanged punts three times before the crucial drive of the game began.

The Steelers were forced to punt from their own 35-yard line, and a bad snap from center went over North punter Mike Sherman's head.

He recovered the ball on the North 18-yard line. Mt. Vernon took it over from there. Lightning . . . one more time.

But the Steelers rose to the occasion. They held the Rams on three straight cracks from the one-yard line. Wagner was stacked up by the entire Steeler front line on fourth-and-a-foot. This time, lightning had struck Mt. Vernon.

North then began to show its old form.

Starting from their own one-foot line, the Steelers moved the ball all the way to the Mt. Vernon 27 before they were forced to punt.

But on third-and-15 from his own 22, Mt. Vernon quarterback Raney fumbled the ball away to North's Jody Maxfield.

THEN CAME that controversial catch. On a second-and-10 play from the Rams' 17, North quarterback Tim Dudley threw a bullet to Wright. Mt. Vernon protested that he had trapped the ball, but the catch stood.

Two plays later, Mike Sherman tied the game (with the PAT by Bowman) on a one-yard plunge. That was the score at the end of regulation time.

Under Illinois High School Association rules, if a game is tied after the four quarters, each team will get four downs from the opposition's 10-yard line in which to try and score in any way it can.

A coin toss is used to determine which team gets the ball or defends first, the toss-winner getting the option.

North won the toss and elected to defend first. "It showed that we have confidence in our defense," said Wyrostek. "We knew they could hold them."

Hold them isn't the right word. Mt. Vernon's Raney kept the ball on the Rams' first play and appeared to be headed in for a TD, when out-of-nowhere came a Steeler hand that stripped him of the ball. Bruce Wright recovered and ended Mt. Vernon's series of plays prematurely.

But on their series, the Steelers had to settle for a 25-yard field goal attempt by Bowman. The angle was from the right-to-left, one of the hardest

angles to hit a field goal from. Needless to say, he didn't. It went wide to the right and the second overtime began.

Then a little controversy set in. Steeler coach Wyrostek was told by one official that it would then be Mt. Vernon's turn, because each alternates turns at scoring chances.

BUT it turned out that the Rams had the choice as to defend or not at the beginning of the second overtime.

That settled, the Steelers proceeded to score the game-winning touchdown.

A 13-yard run by Sherman on fourth down and the Bowman PAT made the score 21-14.

North held the Rams on their final series to end the game.

About that overtime controversy, Wyrostek said, "it was just a mixup in communication. Everything worked out."

"We do have to get together and go 100 per cent on every play," the North mentor added.

"Sometimes tonight we ran over them and other times they stopped us cold."

"But definitely, the turning point was when we stopped them on our own one-yard line there."

With a little bit of luck, coach.

But on the next series, it was Nick Pecurka, a Trojan line- backer who wears number 66 who was told to leave the game, the officials saying that he had already been removed.

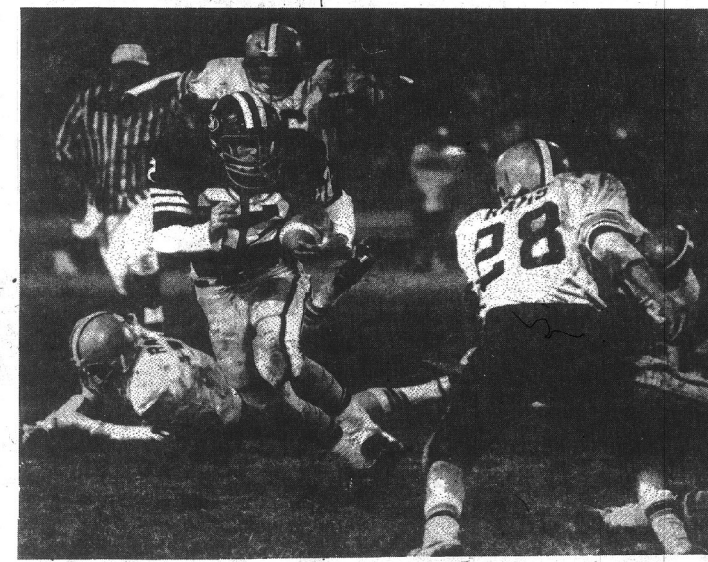

"The next thing we knew," said Jakich, "Giles was back out there and Pecurka was out of the game."

Then Giles was told that he'd been thrown out, but Pecurka couldn't go back in."

The scoring also got started in an unusual way. In the third quarter, Trojan quarterback Joe Piechocinski passed the ball out-of-bounds from his own end zone.

One official threw a flag indicating that Piechocinski had intentionally grounded the ball. But the official said he raised his arms and put his palms together . . . he had just called a safety for Mater Dei.

"I don't know," was all that

MAKING A GAIN for North Friday night is Steeler running back Bruce Wright (22). He rushed for 55 yards

and scored North's first touchdown. He's about to be corralled by Mt. Vernon's Terry Swinnen (28).

Four Trojans 'removed' from game . . .

Mater Dei 'out-muds' Madison, 26-6

In what Madison High School

football coach Nick Jakich called "absolutely ridiculous conditions," the Trojans of Madison lost in a mudbath Friday night at Breese Mater Dei, 26-6.

"There wasn't anything open," said Jakich. "The press box was locked up, it was pouring down rain, and we couldn't keep any statistics."

Something else the Trojans couldn't keep was their footing . . . and the football.

They fumbled three times inside their own 20-yard line in the second half, enabling Mater Dei to set up scoring drives on each occasion.

The first half was an execution in futility for both teams. Each exchanged punts, fumbled numerous times, and slipped and slid around in the mud.

"When we got there (Breese), Jakich added, "the water on the truck around the football field

was a foot deep everywhere."

There was one more thing that Madison couldn't keep . . . players.

Four Trojans were ejected from the game by the officials, all in the third quarter.

Ronald Morris was ejected in the third quarter for Madison for face-tackling.

"It's amazing how face-tackling can be called in a muddy game like that," Jakich said. "The officials were out there just as long as the players but I just don't understand it."

Clayton Harris, a Madison line- backer, also was ejected.

"We still don't know what that one was for," said Jakich. "Clayton doesn't know and the official didn't tell us."

THE NEXT PLAYER to be ejected was Prince Giles, who was in at defensive left end for Madison and wears number 99.

But on the next series, it was Nick Pecurka, a Trojan line- backer who wears number 66 who was told to leave the game, the officials saying that he had already been removed.

"The next thing we knew," said Jakich, "Giles was back out there and Pecurka was out of the game."

Then Giles was told that he'd been thrown out, but Pecurka couldn't go back in."

The scoring also got started in an unusual way. In the third quarter, Trojan quarterback Joe Piechocinski passed the ball out-of-bounds from his own end zone.

One official threw a flag indicating that Piechocinski had intentionally grounded the ball. But the official said he raised his arms and put his palms together . . . he had just called a safety for Mater Dei.

"I don't know," was all that

Jakich could say. "I just don't know."

On the next Trojan possession, the snap from center was mishandled and the Knights of Breese Mater Dei had the ball inside the Trojan 20-yard line. It didn't take them long to score, with running back Dennis Littlekin taking the ball into the end zone.

The Knights went for two points on the conversion attempt, but the snap was fumbled and the try failed.

Late in the third period, the Trojans once again fumbled the snap from the center and Breese Mater Dei recovered.

Again, they marched into the end zone on the next series of downs, and this time, the two-point was good and the hosts led 16-0 after three quarters.

Mater Dei scored 10 more points in the fourth quarter on a touchdown and a field goal by

Mater Dei's quarterback, Tom Hipas.

THE MADISON TOUCHDOWN was scored by Anthony King in the fourth quarter.

He took a swing-pass from Piechocinski and raced around the left side — the first time he had found any grass among all that mud — 45 yards for the only Trojan touchdown. A two-point attempt failed.

The next game for Madison is this Friday when the Trojans host Saint St. Louis Lincoln in a 7:30 p.m. game.

GC golfers split in action last week

It was a mixed week for Granite City's high school golf teams. On Thursday, North lost in Alton, 154-169, but South defeated Red Bud 170-127 at the Arlington Golf Course here.

For North, Dan Harper fired a 39, George Barts a 41, Russ Chappell a 44 and Dave Abbott a 45.

Harper's 39 wasn't good enough for meet medalist, though. Alton's Tom Fleming and Scott Spooner each shot a 38 for South.

In South's two-stroke win over Red Bud, Herman "Dutch" Schroeder fired a 39, Ben Brown a 42, Kevin Romine a 44 and Jol King a 45.

FOR NORTH'S KATHY GILLEY, Friday was a bad day. She traveled to Belleville to compete in the district tournament there and failed to qualify by six strokes.

It appeared as if she had things going her way enroute to her best round of the year until she came to the ninth hole.

She took a 13 on nine, couldn't overcome it and missed the cut-off.

North's boys' team has a meet scheduled with Highland for tomorrow at Arlington at 4 p.m. South plays at Belleville West Wednesday, also at 4 p.m.

Local coaches, athletes are nominated as best in sports

Granite City is well represented on this year's ballot for the top sports performers in the St. Louis metropolitan area in 1977. The voting is sponsored by Elks Lodge Number 9, St. Louis.

The annual awards are presented to the top sports figures in the area as voted by sportswriters and sportscasters in the metropolitan area.

In addition to the top performers in 17 different sports categories, there is an award which goes to the number one St. Louis sports figure. Last year's winners were Michael and Leon Spinks, the boxing brothers of the United States Olympic team, now fighting professionally.

Local nominees on this

year's ballot are: Paul Evans of Granite City South in the amateur baseball category, Rick Fernandez and Mark Goldschmidt of South in amateur soccer, Randall Jones of Madison in amateur basketball, Kris Whelan of Granite City North in wrestling, Mike Baker of North in track and field, Wb Spalding of Pontoon Beach in motor sports, and Gene Baker, soccer coach at South and Larry Graham, basketball coach at Madison High, in the high school coaches category.

The awards will be presented at the 20th annual Elks Sports Celebrity Night on Thursday, Nov. 17, at the Chase-Park Plaza Hotel in St. Louis.

Logas ties Knox record

The Knox College (Galesburg, Ill.) football team, chagrined by two consecutive losses at home, next took to the road against Grinnell College in a Mid-west Conference game at Grinnell, Iowa.

The Siwash lost to Lake Forest College 28-26 to drop their record to 1-2. What made the Lake Forest loss so disheartening for Coach Joe Campanelli's troops was that they held a 26-7 lead in the second quarter and let that advantage slip through their hands.

Despite the loss against Lake Forest, Campanelli remains optimistic. He looks for improvement, especially from the defense, where "poor tackling and inability to make the big play" led to the breakdown against Lake Forest.

By the end of the season, Campanelli expects the defense to "be the strongest part of the team."

CONTRARY to the play of his defensive unit, Campanelli has been pleased with

GENE LOGAS

the play of his offensive charges, especially that of junior quarterback Gene Logas, a former player at Granite City High School North.

Last week, Logas (north class of '74) tied a Siwash record by completing three passes for touchdowns. In addition, Logas completed 15 of 22 passes for 222 yards.

Two of the touchdown passes were caught by tight end Kevin Gardner (Chicago, James H. Bowen), establishing him to tie top Siwash records.

Win, tie, loss by GC girls in field hockey

The Granite City High School North girls' field hockey team recorded a tie and a win in its last two outings.

The Steelerettes, coached by Lori Houser, traveled to Wood River High School Thursday afternoon but both teams failed to score in regulation time, the

game ending in a 0-0 tie.

Saturday afternoon proved to be much brighter for the North High team, as it shut out Pekin 5-0 on the South field.

Pekin was to have played South High Saturday morning but the game was cancelled because of a wet field.

Two players garnered the five goals for the North team against Pekin. Rene Sharp scored three times during the contest and Marcy Bunch made two goals.

GCHS South girls were shut out 3-0 at Edwardsville Thursday afternoon.

The Warriorettes failed to penetrate deep into Edwardsville territory until the final minute, when the host team goalie, Debbie Ludwig, made her lone save of the day.

It was an easy afternoon for GCHS South soccer coach Gene Baker and his team Thursday.

They scored two quick goals in the first minute of play and coasted from there to take a 7-0 win over Edwardsville in a game played at Cougar Field on the SIUE campus.

Greg Feigl scored the first two goals, each coming in the first three minutes of play.

At the 2:02 mark Feigl scored a goal, assisted by David Goldschmidt. Just 28 seconds later, he got his second tally, unassisted.

David Goldschmidt scored the last three Warrior goals, all in the second half.

At the 10:18 mark of the second half, he scored unassisted. At 20:36, he put the ball into the net after a pass from David Mendoza.

At the 20:45 mark, with just 17 seconds left in the game, he scored on an assist from Jeff Tinsley.

Sandwiched in between those two individual scoring outbursts were goals by David's brother, Mark, and Steve Spencer.

Mark Goldschmidt scored his

goal at the 15:03 mark of the first half on a penalty kick.

Spencer got his goal at the 20:19 mark on an assist from David Fernandez.

"The encouraging thing about this is that David (Goldschmidt) had three goals," said South Coach Gene Baker. "If he can keep coming around and get back to 100 per cent, it'll be a great help."

Goldschmidt was sidelined during the early part of the season with a knee injury. It has been determined that there is torn cartilage, but it is not serious enough that he cannot play on it.

South was to have played at Hazelwood East Friday afternoon, but the game was postponed because of rain and has not yet been rescheduled.

Another change has been made in South's schedule. The Alton game originally set for Tuesday, Oct. 25, at Alton has been canceled and will not be played.

Both the North and South soccer squads will be in action this week. Today, North plays at St. Paul-Highland at 4 p.m. and South is at Hazelwood Central for a 3:30 p.m. game.

Tomorrow, North entertains Waterloo at 4 p.m. South will be in action Wednesday at 3 p.m. on the Warrior home field against Rosary of St. Louis.

South Boosters meet tomorrow

The Granite City High School South "Boosters of the Fighting Warriors" will have a meeting tomorrow at 7:30 p.m. in Room 159 at the South High School, near the main office.

Progress of the baseball and soccer complex improvement project will be discussed.

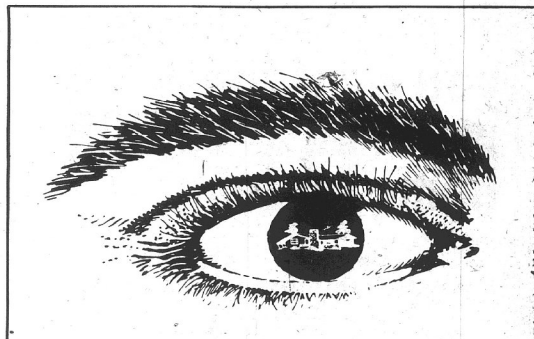

Boosters to meet at GCHS North

The Granite City High School North High School Booster Club will meet at 7:30 p.m. Thursday in the school cafeteria.

Parents of athletes and the general public are being invited to attend, according to Everett J. DeMott, president.

WHO'S TACKLING WHOM? Granite City North's Bruce Wright (22) and Mt. Vernon's Terry Swinnen (28) appear to have each other in a bind during Saturday's thrilling Steeler win. Actually it's Wright who's being tackled by Swinnen and another Ram defender. North won the game in two overtimes, 21-14.

LEAPING OVER a fallen Steeler Saturday night is Mt. Vernon's Dwight Williams. Actually, the "fallen" Steeler is Bruce Wright immediately after plunging into the end zone for North's first touchdown of the game. Williams had earlier put the Rams ahead with a 30-yard touchdown catch.

Bauer-Gabriel twosome second in tennis tournament

The top-seeded doubles duo of Christie Bauer and Laura Gabriel of Granite City High School South captured second place honors in the Belleville East invitational girls' tennis tournament played Saturday.

The two won their first three matches by identical scores of 6-1, 6-1 against Collinsville, Belleville West and Belleville Althoff.

Their only loss in the tournament was inflicted by Nancy Lassebaum and Jane Augustine of Belleville East, seeded second, 2-6, 3-6.

South's two singles players and one other doubles duo lost in the first round of competition in the eight-school tourney.

Theresa Hayes bowed to top-seeded Kathy Stringer of Collinsville 6-2, 6-0 and Linda Vaughn was defeated by Mary Whitehead of Althoff 6-4, 6-3.

Judy Revelle and Terry Snares of Belleville West, fourth-seeded, beat South's duo of Susan Bell and Mary Ellen Hutchings 6-4, 6-2.

Cougars repeat as champs

Three of the top ten college soccer teams in the Midwest were entered in the sixth annual Illinois Governor's Cup Classic at Charleston, Ill., over the weekend.

The No. 2 team, Southern Illinois University at Edwardsville won and retained the cup with a double overtime, penalty kick 4-3 win.

The victory was over a big, burly and stubborn Western Illinois U. squad in the title game Saturday afternoon on a soggy field. In the third place game, Northern Illinois' Huskies ran over the host Eastern Illinois U. Panthers, 2-0.

Eastern entered the tourney tied with SIUE for second in the Midwest, and Western was ranked eighth. Northern was 18th.

The pair of victories for Coach Bob Guetker's SIUE Cougars may tune them up for their tough three-game schedule this week. Incidentally, SIUE earned its shot at the title again by turning back Eastern Friday, 3-2 in a driving rain.

On Wednesday night, the Cougars will battle it out with a resurgent University of Missouri-St. Louis Rivermen squad in a 7:30 game at Washington University's Francis Field. Then, Thursday afternoon at 5, SIUE will battle it out with the U.S. National Team at Cougar Field.

Closing the week the Cougars will take to the road again

Assessor

(Continued from Page 1)

surprised that the plans for the offices allotted to the assessor in the new building call for such a small space to accommodate 13 deputy assessors, field men and clerks who occupy the present rented offices on Niedringhaus Avenue.

Alderman Lloyd Bailey of the Fifth Ward, who is chairman of the City Council's Building Committee, reported to the council last week that Cruse had discussed the matter with him. He said Cruse had pointed out that office accommodations in the new building for Supervisor Nelson Hagauer "are considerably larger" than those designated for the assessor's office, although Hagauer has only five employees.

"I have no objection to Hagauer having a large office," Cruse said. "In fact, I think he needs it because there should be privacy in booths for interviewing welfare clients. But we have 13 employees who need working room. We also have extensive filing space. We need considerable room and there is no way I am going to move our work crew into the new building under the present arrangements," he said.

The council took no action on Bailey's report and the matter was filed until next month. Schuler remarked that Cruse's best recourse was to meet with Hagauer and talk the matter over with him.

The council during a Town Board meeting last week also approved a series of salary increases for employees of the assessor's office and authorized payment of retroactive salaries to May 1 in accordance with the increases.

The salaries for the period Oct. 1 to Oct. 15 and retroactive pay were included in a Town and County without a payroll account totaling \$28,793 that was approved by the aldermen.

The accounts included a total of \$17,585 in salaries that included \$11,518 in retroactive pay. Also included in the \$17,585 was the semi-monthly salary of \$850 for Cruse and the \$350 semi-monthly salary for Hagauer. Both officials also receive \$100 per month for expenses.

After the bill list was presented, Alderman Ronald Coleman of the Seventh Ward asked if the Finance Committee had checked the assessor's budget to determine if the salary increases could be made.

Warren Decatur, alderman of the Fourth Ward and a member of the Finance Committee, said he had been told by Cruse that the total salaries, after the raises, were within the office's \$120,000 budget for salaries this year.

Decatur said the assessor's total annual salary bill totals about \$116,000 after the salary increases are considered.

"Cruse told me that he granted the increases to raise his employees more in line with salaries of other municipal employees. I believe the raises are in line," Decatur said.

Cruse told the Press-Record the salary raises averaged around \$100 per month, with slight variation in cases where salaries had been extremely low.

The bill list showed that, prior to the increases, most deputy assessors in Cruse's office received salaries ranging from \$450 to \$772 per month.

Brian Giessing, 16, a Belleville High School West football player, suffered a broken neck in a sophomore football game last week in Collinsville. Surgery has been performed at Belleville Memorial Hospital.

Indicted for arson

Madison County Sheriff's Deputy Larry Bull, 27, Collinsville, who has been suspended from duty since being indicted Sept. 7 on two felony counts of theft, was arrested again Friday on an additional indictment alleging arson with intent to defraud an insurance company.

The indictment, issued by a Madison County grand jury Thursday and suppressed until Bull's arrest Friday, alleges he set fire to his wife's auto Dec. 9, 1976, near Marine. The auto allegedly was registered to Latenna R. Bull.

Bull was set at \$10,000. Circuit Judge Harold R. Clark ordered him released on his own recognizance and the paperwork was completed in the sheriff's office, without Bull going across the street to the county jail or to post cash bond.

Bull was under indictment on two felony theft charges which allege he purchased two stolen television sets, taken from Bert's Audio-TV Showroom in Granite City.

Madison County Sheriff John Maeras has suspended Bull indefinitely until the charges against him are resolved.

Alton Attorney John Dale Stoen has been appointed a special prosecutor in the Bert's television theft case, including the allegations against Bull.

This is the first year the committee has opened the bids. In past years, the Buildings Committee has opened the uniform bids and only one bid was received last year, from Victor Schwartz of Alton, for \$200 for uniforms.

Board Member Daniel Martney of Granite City, a member of the Central Services committee, has said he feels the county is paying more for uniforms than is necessary. He said St. Clair County pays about \$20 for each uniform by purchasing from St. Louis uniform supply firms.

He said he has instructed the county purchasing agent to find out the companies from which St. Clair County seeks uniform bids and to be sure those firms receive specifications on the uniforms Madison County is seeking.

He said he inquired why bids formerly accepted have been so expensive for uniforms and was told the uniforms were tailored and of a high quality. Several deputies disagreed, saying they have never been fitted for uniforms, Partney related.

Antiques needed by Shrine band

Members of the Oriental Band of Alton Shrine still are accepting antiques for their benefit auction to aid the children at Shrine Hospitals.

The event is scheduled at the Moose Lodge, Highway 111 and 143, Wood River, from 1 p.m. until 7 p.m. Sunday, Oct. 16.

Persons wishing to donate antiques or collectible items may call Oriental band members, James Allen at 877-4140, Carl Roach at 877-1843 or Avery Schermer at 452-7194.

Honor hospital's junior volunteers

Seventy-three junior volunteers were honored at their annual award banquet, held at St. Elizabeth Hospital. Commonly known as "Candy Strippers," the youths aged 14 to 17 donate their services in a variety of departments at the hospital.

Needlepoint, flower art, glass painting classes

The Granite City Park District will be offering several new and unusual projects this fall and winter. Registration for each of these projects must be made in person in the park office and proof of residency must be shown at the time of registration. Supt. Harold Brown reports.

In the event of non-residents, they will be put on a waiting list and there will be a non-resident fee charged in addition to the amount charged for supplies.

At the time of registration, the cost of each project will be announced and must be paid at that time.

The cost of each project is nominal and will be only what the supplies amount to, it was noted.

Needlepoint classes begin Monday, Oct. 17. Classes will be limited to 15 persons and will run for six weeks.

Two classes will be taught each evening and an applicant may enroll for one class only.

This year's banquet program began with a buffet, followed by speakers — the hospital president, Sister Mary Thomas, and the public relations — volunteer department director, Mrs. Jinny Tuetken.

The award presentation, at which time each junior volunteer receives a particular award for a certain number of hours given, was conducted by Candy Striper Supervisor Pat Musick and Sister Mary

Thomas. Entertainment by magician Glen Tonsor closed the evening. Guests included Sisters of Divine Providence Frances, Ann and Mary Louise, in addition to Auxiliary officers — President Kathy Hagnauer, Vice-President Gladys Kriesher, Recording Secretary Lois Tonsor, Corresponding Secretary Vera Carey, Coffee Shop Treasurer Ruth Kriesher and General Account Treasurer Angie Ashcraft.

Junior volunteers and their respective awards are:

NORTH QUEEN CANDIDATES. One of these members of the Queen's Court at Granite City High School North will be elected on Wednesday, Oct. 26, by the student body as queen of the North Fall Festival Homecoming. The selection will be kept a secret until Wednesday, Nov. 2. Choice of the queen and king will be announced during

coronation ceremonies after the Homecoming play. From left are Susan Ochoa, Pam Tester, Marcy Bunch, Cathy Messina, Laura Allen, Dottie Dyer, Jane Marshall, Cindy Morris and Colleen Rindale.

NORTH KING CANDIDATES. Nine Granite City High School North seniors will be part of the Homecoming court and one young man will be chosen king by secret ballot. From left are Robin Smith, Mike Baker, Steve Hartline, Rusty Gregory, Tom

Ponder, Doug Rains, Randy Gay, Bruce Wright and Mike Sherman. The Fall Festival Homecoming at North will be celebrated the first week of November. Activities will include a play, pep rallies, coronation of king and queen, a dance and a football game.

Nameoki election hearing scheduled to begin Tuesday

The long-awaited hearing to determine who should be seated on the Nameoki Town Board is scheduled to begin Tuesday at 9 a.m. before Circuit Judge Victor Mosele, chief judge of the Third Judicial Circuit, in the Madison County Courthouse at Edwardsville.

Legal challenges to the election-night results, a discovery of the ballots, a change of judges, a recount by attorneys for the winners and losers, a previous hearing on the validity and intent of numerous ballots, and other actions have delayed the final determination of winners and losers from that election.

Tuesday's hearing, scheduled to start at 9 a.m., is expected to encounter a barrage of motions and allegations.

Judge Mosele also is expected to rule on a motion now under consideration by the court whether a counter-suit filed by Mrs. Helen Hawkins and others has a legal basis or should be dismissed.

At least two election judges and a poll watcher from Nameoki Precinct Eight, and a poll watcher from Nameoki Precinct 11 are believed to have received subpoenas to appear in court.

Allegations of improperly initiated ballots, improper

conversations during the counting of ballots, and of at least one telephone call made from the room where the ballots were being counted have been filed with the court and are expected to be considered.

Sources believe the vote counts are very close between many of the township winners and losers. Some counts have the new Township Supervisor Harold Davis leading former supervisor Louis Whitesell by as small a margin as one vote, pending official rulings by the judge.

Voicing for trustee was so close that Andrew Besserman and Mrs. Helen Hawkins tied for the fourth trustee position and drawing had to be held to break the tie. Besserman won the draw and has been seated since.

Votes accepted by the court, thus far, indicate both Besserman and Mrs. Hawkins may have received more votes than Trustee Jerry Adams, who could lose his seat on the board, should additional court actions support that contention.

Other challenges are pending in the tax assessor, collector and town clerk races.

MR. AND MRS. TONY A. JONES. Their wedding took place at the Pontoon Baptist Church. The bride is the former Miss Linda Kay Lee, a daughter of Mr. and Mrs. Franklin P. Lee, 2317 Delmar Ave.

Pontoon Baptist scene of Jones-Lee wedding

Miss Linda Kay Lee and Tony Alan Jones were married in a double ring ceremony at 1 p.m. on Aug. 6 at the Pontoon Baptist Church by an uncle of the bride, the Rev. James Clubb.

Parents of the bride are Mr. and Mrs. Franklin P. Lee, 2317 Delmar Ave. The groom is a son of Mr. and Mrs. Robert Jones, of Granite City.

Mr. Lee escorted his daughter down the white carpeted aisle and gave her in marriage. She chose a full length white organza gown fashioned with an Empire bodice, scoop neckline and long sheer sleeves, enhanced with lace motifs.

Her A-line skirt was trimmed with a tiny lace motifs in a scallop effect to mark the hemline flounce.

She wore a lace headpiece to secure her melody length veil and she carried a colonial bouquet of yellow roses, white pom poms and baby's breath.

Miss Kathy Lyn Jones, a sister of the groom, served as honor attendant. She selected a long yellow dress designed with a molded bodice, short sleeves and Empire waist, accented with white lace.

She wore a white picture hat with yellow streamers and she held a nosegay of yellow daisies and carnations with sprigs of baby's breath.

The rehearsal dinner was held in the home of the bride's parents.

Both young people graduated from South High School. The bride is an employee of the Factory Outlet Shoe Store, and her husband works as a mechanic for Turpin Standard Station.

They are residing in Granite City following a wedding trip to the Lake of the Ozarks.

Special Education Parents plan events

"Secondary Multiple Handicapped" will be the topic of three guest speakers at the Parents for Special Education meeting, scheduled Thursday at 7 p.m. in the Office of Special Education, 2801 Madison Ave.

Addressing the group will be Judy Ward, a teacher, Shirley DeCoursey, an aide, and Gilbert Walsley, principal at Granite City High School North.

Mrs. Kay Hahne, president, announced several events planned during October.

A dance and Halloween party will be held Oct. 14 from 7:30 p.m. until 10:30 p.m. at the Venice Recreation Center for those 15 years and over.

A 50-cent charge will be made for the party and those planning to attend must make their own transportation arrangements.

MR. AND MRS. VICTOR L. WISER, 1511 Cottage Ave., who were honored on their golden wedding anniversary at a reception held at the Calvary Pentecostal Church.

Mr., Mrs. Victor Wiser mark golden anniversary

Mr. and Mrs. Victor L. Wiser, 1511 Cottage Ave., were guests of honor at an open house reception held at Calvary Pentecostal Church.

Mr. Wiser and his wife, the former Minnie Ruth Hopper, were married Sept. 18, 1927, in Gillespie, Ill. They have resided in Granite City since 1942.

They are the parents of six sons, Leonard Wiser of

Carlinville, Robert, Stanley, Raymond, Herbert and William Wiser all of Granite City, and six daughters, Mrs. Ellen Hull, Mrs. Norma Hull, Mrs. Mary Cook, Mrs. Ruby Fisher, Mrs. Ruth Gan all of Granite City, and Mrs. Martha Krotzner of Festus, Mo.

Mr. and Mrs. Wiser also have six grandchildren and seven great-grandchildren.

Mr. Wiser retired in 1963 from Granite City Steel after many years of service.

Out of town guests included Mr. Wiser's eldest sister, Mrs. Rowena Proctor, 83, of Carlinville, Mr. and Mrs. Richard McChristy and son Patrick of Montgomery City, Mo.

Country Store Bazaar at Nameoki Methodist

A Country Store decor reminiscent of the frontier days will set the theme for the annual Holiday Bazaar and luncheon at Nameoki United Methodist Church, Primrose Avenue and Nameoki Road, on Saturday, Oct. 29.

An old fashioned black pot belly stove and barrels of popcorn and crackers will be arranged to create the country store atmosphere. A continuous recording of old time conversations and music will be played as guests visit the arcade of booths located in the church basement, featuring a variety of gift items for both children and adults.

Mrs. Norma Rains and Mrs. Luan Briner, co-chairmen of the project, have also co-ordinated plans for a "post office" to be set up for the children. They will

receive a grab bag filled with special small items provided by the members of the Quilters Circle at the church.

"Granny's Attic" booth will exhibit a selection of white elephant gifts for sale collected by the Fidelity Class and the Lydia Class have been working and planting decorative hanging baskets with live plants as well as many table style pottery.

Youth groups in the church have been busy collecting authentic penny candies and home baked goods for the Sweet Shop.

Books, jewelry, records and toys for the younger set will be displayed at the "Children's Center" and the Every Member Busy Circle have selected the Potpourri Shop to show their handmade yuletide articles. The circle members have

made a patchwork table cloth, pin holders, scarves, decorative pin cushions, purses, rag dolls, pictures and plaques for sale. They also have decorated tote bags to be used for knitting and needlework paraphernalia.

Baby quilts and full size quilts have been prepared by the Quilting Circle, who meet at the church one day a week to make quilts, for sale at the fund raising event.

A holiday and greeting card counter will also be one of the highlights of the event, offering cards for the Christmas season and for all occasions throughout the year.

Mrs. Fran Holt, chairman of the "Creative Woman" segment of the overall program, has been instructing the members in the art of sewing and creating clothing in the latest styles.

A special booth will be set up to provide information on flower making with silk fabric, quilt making, smoking, and assorted instructions for handicraft articles. Several quilts will be displayed including a Bicentennial quilt and one made in Canada many years ago.

Luncheon from 11:30 to 1 p.m. will be served by members of the Loyalty Class, costing \$1.25 for adults and the evening meal will be served from 5 to 7 p.m. by the Fellowship Class. Tickets for the dinner costing \$2.50 are available from any church member.

During both the luncheon and dinner hours strolling musicians will play selected country style music, in keeping with the theme of the bazaar.

According to the chairmen a sneak "preview" is planned for Friday night, Oct. 28, and for those who wish to attend they must make and donate an item costing \$5 to be admitted.

Proceeds from the autumn project, which is open to the public, will be used to complete the kitchen area and dining room of the church, which will accommodate 200 people when completed, the chairmen added.

QUILTING CIRCLE MEMBERS of Nameoki United Methodist busy at the task of quilting an infant bed cover to be offered for sale at the annual Christmas Bazaar scheduled for Saturday, Oct. 29 at the church located at Primrose Avenue and Pontoon Road. Hours of the event will be

from 10 a.m. until 9 p.m. From left clockwise is Helen Metcalf (back to camera), Doratha Dorch, Effie Vrenick, Gladys Russell, Evelyn Briggs, Lucille Webb and Violet Thornberry.

Wasson-King nuptials

Miss Nora King, a daughter of Mr. and Mrs. Charles Edward King, 2832 Fortune Drive, and John Reed Wasson Jr., a son of Mr. and Mrs. Jake Wasson, 3157 Aubrey Ave., were united in marriage in a civil ceremony on Oct. 5.

Judge William L. Beatty, of the Third Judicial Court, Granite City, performed a double ring ceremony at 11:30 a.m. in the court room of the City Hall of Granite City.

For her wedding the bride selected a street length dress in champagne color fashioned with an Empire waistline and long sleeves.

She wore a halo of baby's breath and pink rose buds in her hair and she held a single pink rose.

King, a sister of the bride, wore a mauve dress and she also held a pink rose.

The groom chose Rand Burlemann of St. Louis, as his best man.

After the ceremony a dinner for the immediate families was held at Charlie's Restaurant. Mrs. King, mother of the bride, was attired in a pink dress and the groom's mother, Mrs. Wasson appeared in a brown frock. Both mothers wore pink rose bud corsages. The newly married couple are Granite City High School graduates. The former Miss King is employed at Rawlings Sporting Goods, St. Louis, and the groom is a musician with "Cartune" of St. Louis. They are residing in Granite City.

Barbara Mathenia becomes Mrs. Jeffery S. Cruse

Miss Barbara J. Mathenia, a daughter of Mr. and Mrs. George Mathenia, 3025 Edgewood Ave., and Jeffery S. Cruse, a son of Mr. and Mrs. Floyd Cruse, 2000 Myrtle Ave., were united in marriage in a candlelight ceremony on Sept. 9 at Calvary Baptist Church.

The Rev. Al Slayter performed a double ring ceremony at 7 p.m. Preceding the service Barbara Glowacki, organist, accompanied Joan Schillinger as she sang, "The Lord's Prayer," "Love, Look at The Two of Us," "The First Time Ever I Saw Your Face."

For her wedding, the bride chose a full length white Giana A-line style gown designed with a lace yoke featuring a high collar and short sleeves.

Her semi-full skirt fell softly into a chapel train. A lace headband secured her lovely long veil and she held a colonial bouquet of white roses and blue tipped daisies, encircled with baby's breath.

Maid of honor Miss Danielle Mathenia, a sister of the bride, wore a long blue voile dress fashioned with an open oval

neckline, long sleeves and an A-line skirt.

Her floral arrangement was composed of blue tipped daisies and baby's breath.

The flower girl, Christine Cruse, a niece of the groom, was dressed in a long white frock featuring short puff sleeves and full skirt accented with a lace edged apron. She carried a basket of red roses.

David Ezell, served as the ringbearer.

The groom chose his brother, Mark Cruse, as best man. Myron Mathenia, the bride's cousin and Richard Mathenia, a brother of the bride, were ushers.

Immediately following the ceremony a reception was held in the church Fellowship Hall. The rehearsal dinner was served at Ravanelli's Restaurant, Granite City.

The bride is employed in the admitting office at St. Elizabeth Hospital and her husband works at American Car, St. Louis. They are both graduates of Granite City High School and are now residing in Granite City.

MR. AND MRS. BARRY W. JATEFF whose wedding was solemnized at the Nameoki United Methodist Church. A daughter of Lieutenant Colonel (ret.) and Mrs. Charles H. Edwards, 60 Carla Drive, the bride is the former Miss Jill Denise Edwards.

Jill Denise Edwards and Barry W. Jateff are wed

Wedding vows were exchanged by Miss Jill Denise Edwards and Barry W. Jateff in a candlelight evening ceremony on Sept. 10 at the Nameoki United Methodist Church.

The Rev. Max L. Martin performed the double ring ceremony at 7 p.m. before an altar decorated with various greenery and palms.

Organist Mrs. Dan Bernaix accompanied Al Stevens as he sang, "The Wedding Song," "For All We Know" and "The Lord's Prayer."

Friends of the bride are, Lieutenant Colonel (ret.) and Mrs. Charles H. Edwards, 60 Carla Drive, and the groom is a son of Mrs. Barry Jateff, 2171 Northland Ave.

Escorted to the altar by her father, the bride wore a gown of white satin pease over doekin polyester, designed with a Queen Anne neckline, short cap sleeves and Empire bodice, lavishly applied with Venise lace motifs.

The skirt front featured a layer of satin pease, creating an apron effect overskirt which was also accented with lace appliques and edged with scallop Venise lace, as was the hem of the skirt.

She wore a picture hat trimmed with lace and a satin ribbon around the crown. Imported bridal illusion formed a bow at the back and enhanced the melody length veil. Her bouquet was an arrangement of white silk flowers, gardenias and Stephanotis interspersed with lily of the valley and ivy, festooned with satin ribbons.

Matron of honor Mrs. Cynthia Johnston, and bridesmaids Miss Laura Edwards, sisters of the bride, and Miss Tami Jateff, the groom's sister, Mrs. Cindy Grandier and Mrs. Tom Hiles, selected identical Wedgewood blue polyester dresses.

A panel of polyester draped across the bodice created short cap sleeves on the dresses which also featured a self fabric sash and softly flowing circular skirts.

Each attendant carried arm bouquets of deep purple filz mums, pastel purple mums, bachelor buttons and baby's breath set in a garland of greenery and tied with purple satin ribbons.

Bruce Jateff served as best man for his brother, Tom Jateff, another brother, Clark Johnston, Whitney Law, Marvin Wiedemer and Patrick Jateff, a nephew of the groom, completed the corps of groomsmen and ushers.

Donna Roseman attended the guest register at a reception held at the Croatian Home, Madison.

Mrs. Jateff, mother of the groom, entertained the wedding party at a rehearsal dinner served at Tony's Restaurant.

Both young people are graduates of Granite City High School South. The bride also graduated this year from Southern Illinois University at Edwardsville, with a degree in recreation. She is employed as recreation therapist at Christian Hospital Northwest in St. Louis.

The groom attended SIUE and is presently owner and operator of 15 Acres Restaurant and Lounge in Mitchell.

They are residing in Granite City.

For her daughter's wedding, Mrs. Edwards appeared in a long left blue polyester gown with matching accessories.

The groom's mother, Mrs. Jateff was attired in a long coral polyester dress complemented with a chiffon cape effect and silver accessories. Both wore white carnation corsages.

MRS. ZANE ZIMMERMAN the former Mary Frances Humphreys, a daughter of Mr. and Mrs. Robert O. Humphreys Jr., 2618 East 25th St. Her wedding took place at St. John United Church of Christ.

Mary Humphreys married in candlelight ceremony

Bouquets of blue and white carnations intermingled with greenery decorated the sanctuary of St. John United Church of Christ for the candlelight wedding of Miss Mary Frances Humphreys and Zane Louis Zimmerman on Aug. 27.

Officiating at the double ring ceremony at 4 p.m. was the Rev. Dr. Paul Surbey.

The bride is a daughter of Mr. and Mrs. Robert O. Humphreys Jr., 2618 East 25th St. Parents of the groom are Mrs. Zita Zimmerman of Wood River, and Paul Zimmerman of Waverly, Ill.

Given in marriage by her father, the bride wore a full length Chantille gown fashioned with a bouffant skirt of lace tiers.

Long tapered sleeves were set into the fitted bodice featuring a square neckline accented with sequins.

Her fingertip veil was edged with a lace border and held in place with a flat floral headpiece, etched with pearls. She carried a cascade of white carnations festooned with blue streamers.

Matron of honor Mrs. Eva Thiemann selected the formal length blue organza gown designed with a square neckline

trimmed with lace, which was repeated on the sleeveless bodice and full skirt.

She wore a matching picture hat and she held an arrangement of blue and white carnations, tied with a white satin ribbon.

Clarence Wickers of Alameda, Calif., attended the groom as best man. Lyle and Xavier Zimmerman, brothers of the groom, served as ushers.

Guests were received by the newlyweds at a reception held in the church Fellowship Hall.

Mrs. Zimmerman, the groom's mother, hosted the rehearsal dinner in her home.

A 1976 graduate of Granite City High School North, the bride is presently employed at Busy Bee Beauty Shop. The groom was graduated in 1971 from Wood River High School and now works at the American Steel Foundries.

They are residing in Granite City.

Mrs. Humphreys selected a lemon yellow double knit gown complemented with a sheer floral capelet for her daughter's wedding.

The groom's mother appeared in a floor length white knit dress embellished with a multi-color floral design.

MR. AND MRS. JEFFERY CRUSE. They were married in an evening ceremony at Calvary Baptist Church. The bride is the former Barbara J. Mathenia, a daughter of Mr. and Mrs. George Mathenia, 3025 Edgewood Ave.

Individual Development Business Women's topic

To launch a new series of Individual Development classes, the Granite City Business and Professional Women's Club spotlighted the educational program, and its members met in the Madison Recreation Center, Seventh and Lee streets, Madison.

The speaker was Lois Wetton, Individual Development chairman for District 14, Illinois Federation of Business and Professional Women, and winner of the 1975 State Speech Contest.

Mrs. Wetton, president-elect of the Granite City BPW Club, was joined in reviewing aspects of the Individual Development

program by Shirley Adams, Ollie Derr, Rosalie Stern and LaVale Stephens, all of whom recommended participation in the self-improvement series.

Also addressing the club members was guest, State Representative Joe Lucco (D-Edwardsville).

Mrs. Lorene Sadrakula, president, was in charge of the business session, and the speakers were introduced by Mrs. Florence Moore, dinner chairman. Mrs. Sylvia Wright, immediate past president, gave a brief talk.

Mrs. Derr, legislation chairman, is in charge of arranging the Oct. 19 dinner meeting at Charlie's Restaurant.

Sipes-Wasylik wedding at St. Mary's Church

St. Mary's Roman Catholic Church in Madison was the scene of the wedding of Miss Mary Beth Wasylik, a daughter of Mr. and Mrs. Harry Wasylik, 1018 Greenwood Ave., Madison, and Keith Sipes, a son of Mr. and Mrs. Kenny Sipes, 1518 Fourth St., on Aug. 20.

Nuptial selections were played during the service by Stephanie Gryback.

The Rev. Conrad Motola officiated at the ceremony at 2 o'clock in the afternoon.

For her wedding the former Miss Wasylik chose a full length white Giana gown fashioned in an Empire silhouette with a V-neckline traced with Venise lace and long tapered sleeves.

Her softly flowing skirt extended into a chapel train. She wore a band of lace to secure her fingertip veil edged with matching lace and she held a bouquet of red roses and baby's breath.

Matron of honor Mrs. Phyllis Richmond and the bridesmaids, Miss Jean Dobrowski, Mrs. Barbara Carlson, a sister of the bride, Mrs. Helen Mueller and Miss Kathy Zabotka were gownned alike in shimm color jersey dresses.

Their gowns were designed with Empire bodices, scoop necklines and full skirts ending with a ruffled flounce, and complemented with jackets featuring short ruffled sleeves.

Each attendant held an arrangement of summer flowers.

Clerie Karius, the flower girl, wore a frock similar to the adult attendants and she carried a basket of blossoms.

John Carlson served as the ringbearer.

The groom chose Curtis Holmes Sr. as best man. Don Giffin, Greg Wasylik, Kenny and Kevin Sipes were groomsmen.

Gary Wasylik and Tim Karius escorted the guests to their seats.

A reception was held at the Croatian Home in Madison, after the ceremony. Parents of the groom, Mr. and Mrs. Sipes, hosted the rehearsal dinner in their home.

The bride is employed as a bookkeeper for the Pijan-Maers Agency and her husband works as a maintenance man at Granite City Steel.

They are residing in Madison.

Mrs. Settlemoir, 52, dies

Mrs. Olivette Settlemoir, 52, of 2932 Dale Ave., ill for one year, died Thursday afternoon at Barnes Hospital, St. Louis, where she had been a patient since Sept. 25.

She was a member of St. John Lutheran Church. Mrs. Settlemoir was born in St. Louis and resided in this area 22 years.

Survivors include her husband, Edward Settlemoir;

Cannabis charge

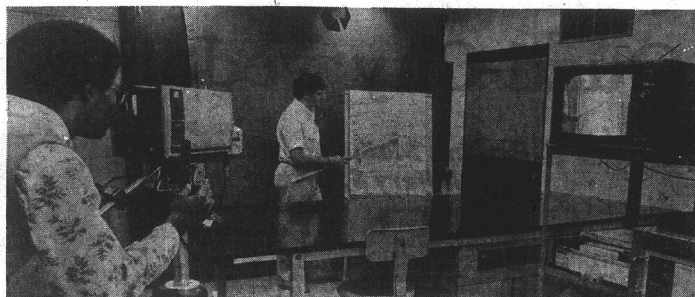

Joseph A. Howards, 28, 4 Nicholas Drive, Pontoon Beach, was released last week after posting \$500 cash on a bond set at \$5,000, after he was charged with possession of cannabis. Howards was arrested at his home by Pontoon Beach police, assisted by MEG agents (Metropolitan Enforcement Group), who went to his residence with search warrants. Police said they seized a "substantial quantity" of cannabis.

four daughters, Mrs. Michael (Cynthia) Hoy of Kokomo, Ind., Miss Vicky Settlemoir of St. Louis, Mrs. Peter (Elizabeth) Frisella, St. Louis, and Mrs. Keith (Marge) Roepke of Edwardsville; two sons, Edward Settlemoir Jr. and Hyet Settlemoir, both of Granite City. Also her parents, Mrs. Myrtle Boly of St. Louis and Roy Boly of Raytown, Mo.; one brother, Ralph Boly of Spring Lake, N.C.; three sisters, Mrs. Lena Mae Gille, Sedalia, Mo., Mrs. Shirley Compton, DeSoto, Mo., and Miss Sylvia Boly, St. Louis, and four grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

CYCLIST INJURED

Timmy Sanders, 18, of 2528 Circle Drive, was treated for an injury to the right leg at 8:45 p.m. Wednesday at St. Elizabeth Hospital and later was released. He reported sustaining the injury in a motorcycle accident.

CLASSROOM OF TOMORROW, TODAY. Members of the SIUE department of physics David North (left) and Ed Van Vooren (right) demonstrate how videotape equipment can be used as a supplemental

means of instruction. The newly purchased equipment is being used to tape lectures and demonstrations for later viewing by students. The finished product can be seen on the television monitor.

Dr. Ruffner in final year at university

Retirement of Dr. Ralph W. Ruffner as senior vice-president of planning and review at Southern Illinois University at Edwardsville effective Sept. 1, 1978, was announced Thursday night by Dr. Kenneth A. Shaw, university president.

He said Dr. Ruffner has agreed to continue serving the university in a part-time consulting capacity after his retirement. "Dr. Ruffner will be greatly missed when he retires," Pres. Shaw said, "but I respect his wishes, and I am pleased he will still be with us on a part-time basis. He can continue to serve as long as he wishes."

Dr. Ruffner, 63, a vice-president with SIU for 13 years, served three months as acting president here prior to the arrival of Dr. Shaw on Jan. 17. He explained, "I have a number of personal interests which I want to pursue, and I feel I have made my contribution to SIU—and SIU now is in most capable hands under the leadership of Pres. Shaw."

"As I move into my fourteenth and final year with SIU, I can only look backward with a kaleidoscopic recollection of a host of events and friends and look forward with the hope and anticipation that the last year will be the best year," Dr. Ruffner said.

Dr. Shaw praised Dr. Ruffner as "one of the most effective university administrators I have known. He provided great assistance in helping me become oriented to SIUE. In the history of the SIU system, there have been numerous occasions when he has gone far above and beyond the call of duty."

"His outstanding administrative capabilities have been shown not only here but in the Foreign Service and other places of importance," Dr. Shaw continued. "He is one of those rare people who can and will do any administrative task."

Videotape used for instruction

The department of physics at Southern Illinois University at Edwardsville has begun to incorporate videotaping technology into its physics instruction. The equipment, worth \$14,000 and purchased at about half that price, includes a Panasonic WV 2100 studio camera and a special effects generator.

The equipment was originally designed for independent self-paced instruction in advanced laboratories.

However, its use has now been broadened to include lectures and equipment demonstration in beginning courses, lectures for supplemental instruction, tapes of guest lectures, lectures for Open University courses, special demonstrations, and the review and improvement of faculty lectures.

Tom Baldwin, professor of physics, explained that videotaping won't replace the regular lecture-demonstration format with its faculty-student interaction, but will be used as a supplemental means of instruction, especially where repetitive lectures are involved.

Other physics faculty who have used the facility include Art Braundmeier, George Henderson, Larry McAneny and Ed Van Vooren.

The department has been working in cooperation with the SIUE department of mass communications, which has provided student workers to operate the videotape equipment and give advice on taping and editing.

Baldwin feels the project has demonstrated that "good quality tapes can be produced for supplemental instruction at remarkably low cost and provide greater efficiency in many projects the department has planned."

Activities planned for the future include tapes with the Gateway Consortium for Physics—a local consortium of colleges including Principia College, Greenville College, Park College, Belleville Area College, Lewis and Clark College, McKendree College, Florissant Valley Community College, Blackburn College and State Community College of East St. Louis.

Baldwin feels that—with the expansion of the home videotape and video disc market, and expanded cable television—educational television will play an increasingly important role in higher education.

Four injured on Madison

Four young men were injured when the auto of Gregory Spurlock, 17, of 2133 Robert St., James Valencia, 17, of 2122 Hamilton Drive, a passenger in Spurlock's auto, struck his left knee on the dashboard and also was released from the hospital after x-rays were taken.

The other passenger, Russell Schuessler, 16, of 2556 Edwardsville Road, sustained an injury to his left leg, which struck the dashboard. He was released after treatment and x-rays.

Spurlock suffered minor injuries which did not require hospital treatment.

James Valencia, 17, of 2122 Hamilton Drive, a passenger in Spurlock's auto, struck his left knee on the dashboard and also was released from the hospital after x-rays were taken.

Long-range planning for auto division

Rodney A. LeMense, 40, named to the newly created position of manager of long-range planning for A. O. Smith Corporation's Automotive Division, will report to David H. Stieber, vice president and general manager of the division, the world's largest producer of automobile and truck frames.

The division, with plants in Milwaukee and Granite City and an affiliate operation in Monterrey, Mexico, employs 9,000 persons and had sales of \$413 million in 1976.

In addition to frames, it makes automobile control arms and other structural parts for the automotive industry.

Stieber said the long-range planning position was created because of the growth of the division and the increasing complexity of the transportation industry.

LeMense joined the company in 1957 as a co-op engineer while in college. After graduating from Marquette University in 1960 with a bachelor of science degree in mechanical engineering, he joined A. O. Smith full time as a junior engineer.

Since then, he has held a number of engineering positions. Prior to his current assignment, he was assistant manager of manufacturing engineering.

LeMense holds master's degrees in engineering mechanics from the University of Wisconsin and business administration from the University of Wisconsin-Milwaukee.

A member of the Society of Automotive Engineers, he is a past member of SAE's Milwaukee section governing board and currently serves on the organization's National Steering Chassis and Suspension Committee. He has presented several papers and participated in panel discussions at SAE national meetings.

LeMense is a registered professional engineer in the state of Wisconsin. Married, with three children, he lives in Hartland, Wis.

INTERNAL INJURIES

Robert Orender, 50, who gave his address as the Land of Lincoln Motel, was admitted to the intensive care unit at St. Elizabeth Hospital last week suffering internal injuries and abrasions following an auto accident.

Increased food aid for state's women, infants

Carol Tucker Foreman, assistant Agriculture Department secretary for food and consumer services, said last week 31 states will receive \$16.6 million in additional funds to operate the special supplemental food program for women, infants and children (WIC).

Illinois will receive \$236,800 in additional funds. The state serves 39,504 women and their children through 21 agencies. Dr. Paul Q. Peterson of the State Department of Public Health, Springfield, administers the WIC program in Illinois in cooperation with the local-area agencies.

The funds can be used between now and Sept. 30, 1978. The \$16.6 million includes \$9 million in funds unspent during previous fiscal periods and \$7.6 million recovered from states that do not anticipate being able to spend money previously provided to them for fiscal 1977-78.

An additional \$2.3 million recovered is being used to bring two new Indian agencies into the WIC program—the Chickasaw of Oklahoma and the Oklahoma-Cherokee.

The WIC program serves pregnant and nursing women; infants and children up to five years old. To be eligible, applicants must be "at nutritional risk" because of poor or inadequate diet and low income. Recipients get monthly food packages of baby formula or milk, cereal, eggs, cheese and juice.

Least estimates of WIC participation show a 19 per cent increase since the first reallocation was released in February. In July, there were about 944,000 women, infants and children in the program—154,000 more than in February. The amount of WIC money going unused each quarter is now declining, and states are using more USDA funds to make WIC available to more women, infants and children. Under USDA's reallocation plan, each state has an assigned maximum monthly expenditure level. Unspent funds are recovered and redistributed quarterly to states with high expenditure levels. To share in the fourth reallocation, states had to spend at least 80 per cent of WIC money available for April-June.

The next reallocation, scheduled for January 1978, will go to states spending 30 per cent or more of funds available for July-November.

School bond debt grants

Governor James R. Thompson last week approved release of \$17.3 million in debt service grants to 415 school districts in 73 Illinois counties, including \$51,175 to Madison County schools.

Property taxpayers in each of the districts will gain a "modest tax relief benefit" as a result of the grants, which require a reduction in property taxes in each district by the amount of the grant.

"Last year, these grants went to 364 school districts," Thompson said. "This year, an additional 51 grants are being made — help for the state's hard-pressed taxpayers, even if it is only in a small way."

Under a statutory formula, each district's principal and interest payments on school construction bonds issued after Jan. 1, 1960, are used to determine the grant amount. The grants will be paid to districts by the Illinois Capital Development Board from school construction bond funds as part of the state's capital assistance program.

Downstate districts will receive \$14.4 million and Cook County districts \$5.9 million under the program. Tax relief under the debt service grant program will apply to 1977 taxes payable in 1978.

AUCTION OF FEDERAL AUTOS IS ANNOUNCED
The U.S. General Services Administration, business manager of the federal government, has announced the offering of 11 used government automotive vehicles by auction sale.

The sale will include Ford, Chevrolet and AMC sedans and a Cadillac El Dorado. It will be conducted at the Food-A-Rama Building, Illinois State Fairgrounds, Springfield.

Interested bidders may inspect the vehicles between 9:30 a.m. and 4 p.m. Thursday, Oct. 13, and from 9:30 to 10 a.m. Friday, Oct. 14. The sale will begin at 10:30 a.m. Friday.

Women charged after argument

Following a disturbance at the Venice Liquor Store, Fourth and Broadway, Venice, officers arrested a store employee, Annette Hilton, 22, of 33 Grenzer Homes, Madison, charging her with unlawful use of a weapon and not having a firearm owner's identification card, and Josephine Garrett, 31, of 218 W. 3rd St., Madison, with aggravated assault.

The charges stemmed from an argument between the two women. Also involved was a third woman who was not charged. Both of those arrested were released on \$100 cash bond.

Good sense of purpose, self image essential to youth, speakers say

Youth are people like adults, with the same needs as adults, was one of the opinions expressed by Richard Corbin, principal of Madison High School, at the Granite City Rotary-sponsored prayer breakfast at Charlie's Restaurant last week.

"Needs of youth" is the theme of the monthly meetings currently being held with Rotarian George Moore as chairman.

Discussing the needs of youth with business, political, labor, religious and civic leaders

present were John Rush, principal of Venice High School; Terry Salem, assistant principal at Granite City High School North, Kenneth E. Spalding, assistant principal of High School South, and Corbin.

In his opening comments, Corbin stressed, "Students must have a sense of purpose and a good self image if they are to make it, just like adults. Education needs to help the student arrive at a goal, as many students are just not sure what they want to do," Corbin said.

"Activities are important for students. It is important that they get involved and feel a part of and belong to something. If you are going to reach a student you have to really care about them. They can spot a phony a mile away."

Salem, agreeing with Corbin's remarks, added, "One thing today is true and that is you have to involve the youth in the decision making. Whatever the activities, we need to include them."

"When I was growing up no one questioned authority; you simply did what you were told. This is not exactly true today if you want their true cooperation. Part of our job is helping them learn to make decisions and accept responsibility for their actions."

Rush said, "One thing we need in Venice is increased recreation facilities. There is a dollar crunch almost everywhere and frequently you see cutbacks in things like school sports and clubs. Frequently the byword is reduce activities. It is somewhat encouraging that the schools now are getting some help from other organizations."

"I feel one of the biggest needs of youth today is parental involvement. As these kids get older they really need parents even more. They might not say so, but they want the parents to care and take an interest in their activities."

"We have some good people becoming involved with our vocational boards and programs and I hope that the Rotarians will take close look at the vocational programs and be critical of them if they are not doing the job."

Spalding noted, "In the late 1950's we had teen-towns, dances, park gatherings, Hi-Y Clubs, but these all have gone by the board. Control has

become a problem. I feel we need to get the students more involved. There is far more to a sports program than just the players, as many people think. Many forget the groups that get just as involved as the players and benefit from the sports programs, like in our case, the Red Peppers."

"I think the greatest thing we can do for youth is set an example for them in moral values, our homes, our churches and our community," Spalding emphasized.

Questions were raised about the quality of the graduate today and that employers seem to be getting more young people that "do not seem to measure up."

It was emphasized by Spalding that "it is in vogue for everyone to graduate. At one time you did have a weeding out process, but today what the people want is for everyone to graduate."

Another factor is that today there are more and more students going on to college who in years past would have entered the job market right after high school.

Senator Sam Vadala noted that it is most important for young people interested in secretarial jobs to take shorthand, in addition to typing, and not just typing alone. He said there is an overabundance of clerk typists.

Corbin said he feels there is a need for training people to be responsible parents and the responsibility of marriage. "We don't talk much about this, but I feel we should," Corbin said.

"The entire community must get involved with youth. Youth centers are not the answer, because the kids that need some special help are not the ones that go to the centers. Parents first must care about their kids, the schooling of the children and take an interest in the organizations and activities of the children," Corbin emphasized.

It also was asserted that perhaps some programs could be set up in the schools to help parents be better parents by helping with homework, talking intelligently about drugs, sex and the other problems of youth.

CLOVERLEAF BREAK-IN
A wristwatch, five cartons of cigarettes and a pair of gloves are the only things known missing after a burglary last week at the Cloverleaf Confectionery, 2029 Alton Ave., Cloverleaf Addition. Windows in the front and rear doors were broken, soft drinks and ice cream were thrown throughout and a fire extinguisher was emptied on the counters and floors. A fold-down camper was pried on, but entry was not gained.

NOTICES
In Loving Memory of ANNA LITTLE (JOHN) DIERDEN
October 12, 1976
I am home in Heaven, dear Anna. Oh, so happy and so bright! There is perfect joy and beauty in this everlasting light. All the pain and grief is over. Every restless tossing passed. I am now at peace forever. Safely home in Heaven at last. Did you wonder I so calmly Trod the valley of the shade? Oh! But Jesus' love illumined Every dark and fearful glade. And He came Himself to meet me In that way so hard to tread; And with Jesus' arm to lean on, Could I have one doubt or dread? Then you must not grieve so sorely. For I love you dearly still; Try to look beyond earth's shadows, Pray to trust our Father's will. There is work still waiting for you. So you must not idly stand; Do it now, while life remains— You shall rest in Jesus' land. When that work is all completed, He will gently call you Home; Oh, the rapture of that meeting, Oh, the joy to see you come! Sadly missed by Daughter, Jewel VanVleet Sisters, June Flynn and Quennell Wallace. 30 10 10

October 11, 1975
Many a lonely heartache, often silent tears. But always a beautiful memory of one we loved so dear; God gave us faith and courage. To bear the parting blow, But what it meant to give him. No one will ever know. A wonderful life came to an end; He loved as he left, everyone's friend. Sadly missed by Sisters and Families. 30 10 10

Two charged in theft of earth mover to tow car

Two men whose car was stuck in a ditch in Madison allegedly took a Caterpillar earth mover from the Wilbur Waggoner Construction Co. in the Maeras Industrial Park early Saturday morning, drove it through a chain link fence and attempted to use it to pull their car out of the ditch.

Police charged Stephen D. Gill, 22, and Richard Hersley, 23, both of St. Louis, with a felony count of theft, destruction of public property and destruction of private property.

Frank Kittel, 1741 Maple St., Granite City, told officers that at about 3:25 a.m. he was operating a forklift at Diamond Plating Co. where he is employed when two young men approached him and asked if he would help them get their car out of the ditch at Farish Street and McCambridge Avenue.

Kittel said he told them that he would be able to help them about 4 a.m. when he was on break. The two men left and Kittel said he went back into the building. He said he looked out a few minutes later and saw the two men driving the Caterpillar toward Caine Drive.

He called out to another man to call police. Officers found the two men at the car.

Police said the earth mover was driven through the chain link fence, knocking down about 200 feet of it, and tore up about six feet of pavement on Caine Drive.

Officers said the Caterpillar earth mover is valued at \$50,000.
